ABOUT ME

I'm an Entrepreneur, a freelancer and a computer science student. My Idea of living is to be the best version of myself and that I make come true by doing what i do the best.

I am a part of various communities at my college and NGO's, this is because I love learning new things, and that interest has helped me over the years to grow more and more.

WORK EXPERIENCE

○ Feb. 2023 - Nov. 2023
Design Your Wear | Online
Founder, CEO

An Online Print on Demand Business about t-shirts, based on a B2C and B2B Business Model. I partnered with three of my friends to work upon this startup, gained some valuable skills and an experience of what it's like to run a business.
My role : Marketing, Sales, Product Designing and Development.

○ Aug. 2023 - Present
House of Chocolates | Cloud Kitchen, Online
Founder, COO

A cloud kitchen startup with an initiative to provide the best quality chocolates, , and bakery items, chemical free and made from the best quality materials. Unique packaging and creative marketing strategies.
My Role : Marketing, Production, Sales, Packaging and Transport

PROJECT

○ January 2024
Tap and Share

NFC or Near Field Communication is a developing technology similar to what is used in payment sector like the tap to pay cards. Using the same technology to make business cards that won't be traded but tapped to share the details of the business.
